### PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center (PLA). The photographic analysis for this particular report was performed by the Production Center (PLA).

In this report, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: A, railroad service; B, road service; C, landing strips; D, administrative and troop housing areas; E, storage areas; F, ammunition storage areas; G, POW storage areas; H, other buildings and facilities; I, equipment storage and maintenance areas; J, athletic fields; K, small arms firing ranges; L, driver training areas; M, tank assault gun firing ranges; N, flat battery firing ranges; O, artillery emplacements, batteries; P, artillery or combined arms field training areas or courses; S, special training facilities; U, unidentified facilities or tracking activity.

#### SUMMARY

A military installation is located at the northern end of Orissaare on the northeast coast of Saaremaa Island (Figure 1). This installation covers approximately 65 acres and contains 2 barracks, 5 administration buildings,

9 storage buildings, 3 support buildings, and a maintenance building (Figures 2 and 3).

This installation appeared active on KEY-HOLE photography of [REDACTED]

#### DESCRIPTION OF INSTALLATION

##### Road Service

Hard-surface, all-weather roads serve the installation.

##### Administration and Troop Housing Areas

Area D1 contains 2 multistory barracks, 2 multistory administration buildings, 2 other ad-

ministration buildings, and 3 support buildings.

Area D2 contains an administration building and a storage building.

##### General Storage Areas

Area I-1 contains 3 storage buildings and a maintenance building.

Area I-2 contains 5 storage buildings.
